Imperial Overview

Imperial has been a leading distributor of quality maintenance repair parts since 1958.

Imperial is a progressive, technologically-driven distributor of fleet maintenance products and inventory management programs. It's our mission to provide you with an efficient, effective system for ordering and stocking fleet-specific maintenance repair parts—a system that will help you keep your vehicles on the road, control your costs, reduce the hours your shop personnel spend with vendors, and improve your bottom line.

Save time and money and easily find products

Larger product selection at a lower cost. Local stores have limited shelf space meaning the product selection can be limited. Imperial stocks the widest selection of sizes, colors, brands, and products to choose from—at lower costs than conventional brick and mortar stores.

Tech specs at your fingertips. Find exactly what you need and don't settle for the product that is just close enough. Manufacturer technical specifications are readily available which makes researching your product fast and easy.

Imperial is always open. Use the Imperial Mobile App or imperialsupplies.com to place your order 24/7 without having to drive to multiple stores.

Fast shipping. Imperial has four strategically located distribution centers that can deliver your products to your shop in 2 days or less. Place your order before 1:00 CST M-F and it ships the same day.

Ordering from Imperial is quick and easy.

Download the Imperial Mobile App. Browse, search and purchase products conveniently while on the go.

Flexible ordering options. Place your order via the Imperial Mobile App, over the phone, through imperialsupplies.com or send it in by fax.

Dedicated Customer Service. An Imperial Service Advisor dedicated to your location is always there to help.

The Imperial Advantage

Product Offering

Imperial carries over 25,000 fleet-specific maintenance repair parts from over 500 manufacturers world-wide.

ScanTel® Purchasing System

Imperial removes the influence of the commissioned route sales agent and provides a user-friendly, efficient way to purchase quality maintenance repair parts, where applicable.

Easy Ordering

Flexible ordering options. Visit imperialsupplies.com. Call your dedicated service advisor. Fax in your order. Submit orders using your mobile device.

Shop Conversion

A seamless transition to a more efficient parts management system. Imperial provides all the labor required to convert your shop.

Distribution Network

Innovative technology and strategically located distribution centers ensure on-time deliveries you can depend on.

Reporting

Flexible, easy-to-read reports provide important information to help you monitor purchases.

Controls

Innovative solutions that save money and put you in control of the purchasing process.

Product Programs

Customized programs designed to cut costs at the shop level.

Quality Control

Our focused quality assurance program guarantees that products satisfy SAE, IFI, DOT, OSHA and UL standards.

Thank You!

Customer satisfaction has been a priority with us since 1958. Our relationship with customers, both new and old, is truly a priority. On a continuous basis, we evaluate products and prices to fulfill the needs of our customers.

As our customer, it is with your support that Imperial has succeeded for more than 55 years. We are committed to you as our partner in business.

Your order is truly appreciated.

Sincerely,
Imperial Associates

PLEASE NOTE: Photographs and diagrams used in this catalog are intended to represent our products as closely as possible. However, due to changes in manufacture, Imperial cannot guarantee that products shipped will exactly match all details of the photo or diagram pictured in the catalog. All products, however, will conform to Imperial specifications, which meet or exceed IFI, SAE, ICC, DOT, or UL standards.

 - » Good resistance to vibration. Use long nut in applications with severe vibration. Reusable.
- Fitting Types:
 - » 3 Piece Sleeves
 - » Caps
 - » Connectors
 - » Elbows
 - » Nuts
 - » Plugs
 - » Reducers
 - » Swivel Nut to Pipe Adapters
 - » Tees
 - » Unions

STEEL 37° (JIC) FLARE BOSS O-RING FITTINGS

- Fitting Types:
 - » Straight Thread 90° O-ring Connector
 - » Straight Thread O-ring 45° Elbow
 - » Straight Thread O-ring Connector
 - » Straight Thread O-ring Run Tee

INVERTED FLARE FITTINGS

- Description:
 - » Short-bodied fitting fits in tight places better than other styles of fittings.
 - » Conformance: ASA, ASME, SAE and MIL specifications
- Fitting Types:
 - » Connectors
 - » Elbows
 - » Nuts
 - » Plugs (Steel)

COMPRESSION TUBE FITTINGS

COMPRESSION TUBE FITTINGS

- Description:
 - » Easy and quick to assemble. Low cost. No tube flaring necessary.
 - » Conformance: SAE, ASA and ASME specifications
- Fitting Types:
 - » Compression Sleeves
 - » Connectors
 - » Elbows
 - » Nuts
 - » Tees
 - » Tube Support Inserts
 - » Unions

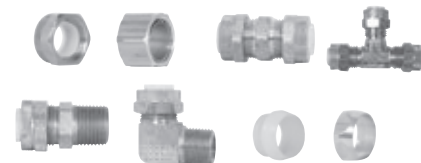

COMPRESSION TUBE FITTINGS W/ CAPTURED SLEEVE

- Description:
 - » Reduce your labor costs. Installation time is cut by 40% over standard compression fittings and 70% over SAE 45° flare fittings.
 - » For use with copper, aluminum and thermoplastic tubing.
- Fitting Types:
 - » Connectors
 - » Elbows
 - » Nut with Captive Sleeve
 - » Tees
 - » Unions

COMPRESSION TUBE FITTINGS W/ MACHINED INSERT

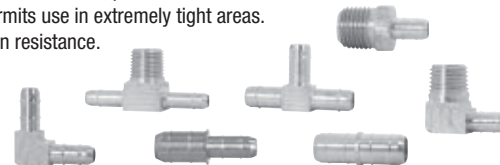

- Description:
 - » Easy to assemble, no flaring necessary.
 - » Pressure is up to 500 psi depending on tube size.
 - » Aluminum, copper and hard plastic tubing requires brass sleeve.
- Fitting Types:
 - » Connectors
 - » Elbows
 - » Nuts & Nut Assemblies
 - » Sleeves
 - » Tees
 - » Unions

MINI BARBED FITTINGS

MINI BARBED FITTINGS

- Description:
 - » This one-piece fitting is designed specifically for use with plastic tubing.
 - » The barbed lip provides a safe, positive connection.
 - » Compact size permits use in extremely tight areas.
 - » Excellent vibration resistance.
- Fitting Types:
 - » Connectors
 - » Elbows
 - » Tees
 - » Unions

Air Brake

(DOT APPROVED) AIR BRAKE FITTINGS FOR AIR BRAKE TUBING

COMPRESSION FITTINGS (BRASS)

- Description:
 - » Exceeds DOT pressure requirements for air brake systems.
 - » Use with SAE J844 Type A or B nylon tubing.
 - » Meets FMVSS 571.106 requirements.

- Compression Fittings Types:
 - » Bulkheads
 - » Connectors
 - » Elbows
 - » Inserts
 - » Nuts
 - » Sleeves (Ferrule)
 - » Tees
 - » Unions

PUSH-TO-CONNECT FITTINGS (BRASS)

- Description:
 - » Full flow design, provides up to 60% more flow area than conventional fittings with internal tube supports.
 - » DOT approved and meets FMVSS-106 standards.
 - » Working Pressure: 250 psi

- Push-to-Connect (Brass) Types:
 - » Connectors
 - » Elbows
 - » Tees
 - » Unions

PUSH-TO-CONNECT FITTINGS (COMPOSITE)

- Description:
 - » Push to Connect fittings reduce installation time and cost.
 - » Composite body provides outstanding chemical resistance.
 - » Pipe threads are pre-sealed.

- Push-to-Connect (Composite) Types:
 - » Connectors
 - » Elbows
 - » Tees
 - » Unions

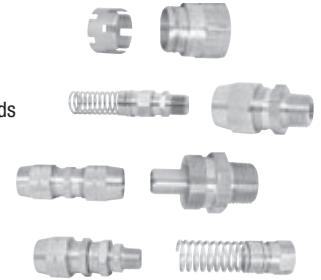

(DOT APPROVED) AIR BRAKE FITTINGS FOR RUBBER HOSE

COMPRESSION FITTINGS

- Description:
 - » Can be used for nearly any air brake system line.
 - » Easy to assemble with a good selection of low cost hose end configurations.
 - » Brass material offers excellent resistance against corrosion.

- Compression Fitting Types:
 - » Adapters
 - » Female Swivels
 - » Hose Connector Sleeves
 - » Hose Connector with Adapters
 - » Hose Connector with Spring Guards
 - » Hose Connectors
 - » Hose Menders
 - » Inserts
 - » Nut for Hose Connectors
 - » Nut for Spring Guards
 - » Spring Guards
 - » Spring/Nut Assemblies

CRIMP STYLE FITTINGS

- Description:
 - » Brass material offers excellent resistance against corrosion.
 - » A permanent hose end saves time and is easy to assemble.

- Crimp Style Fitting Types:
 - » Air Brake Slider Lines
 - » Air Brake Swivels
 - » Male Pipe Swivels
 - » Male Rigid
 - » SAE 45° Female Swivels

FIELD INSTALLATION FITTINGS

- Description:
 - » Full DOT approval for use on air brake systems.
 - » Complete instructions included with each set.
 - » Male swivel hose ends.

AIR BRAKE TUBING (DOT APPROVED)

SIZES FROM 1/8" THROUGH 3/4"

- Designed specifically for air brake applications, instrumentation and air accessory systems.
- Color offered: Black, Red, Blue, Green, Yellow, Orange & White

SABRE® MECHANICS LENGTH DRILL BITS

MECHANIC LENGTH: SIZES FROM 1/16" THROUGH 1/2"

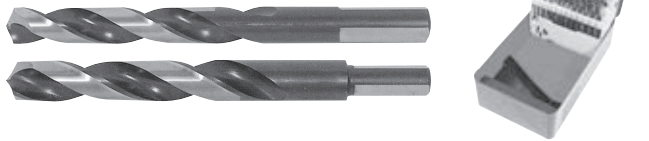

- 135°, self-centering split-point eliminates walking and provides quicker penetration.
- 3-flat shank provides a positive grip in cordless, keyless, and conventional power tools.
- Shorter overall length and reduced flute length provides increased rigidity.
- Premium grade high-speed steel.
- Ideal for drilling in high carbon steel, stainless steel, and other hard metal applications.
- NOTE: 3-flat shank only on 3/16" and larger sizes.

REDUCED SHANK: SIZES FROM 27/64" THROUGH 1/2"

- Same quality features of the Sabre® Mechanics Length Drills.
- Larger diameter drill bits can fit into a 3/8" size chuck.

DRILL BIT INDEX: SIZES FROM 1/16" THROUGH 1/2" BY 64THS WITH OR WITHOUT REDUCED SHANK

- Includes a durable metal index case.

IMPERIALALLOY™ HEAVY-DUTY JOBBER LENGTH DRILL BITS

JOBBER LENGTH: SIZES FROM 3/64" THROUGH 1/2"

- Designed for drilling stainless steel and high alloy tool steels.
- Web design resists breakage under stress.
- 135° split-point will not wander at the starting surface.
- No center punching is required.
- Meets Aerospace NAS-907B specifications.
- Premium grade high speed steel.

DRILL BIT INDEX: SIZES FROM 1/16" THROUGH 1/4" OR 1/2" BY 32ND OR 64THS

- Includes durable metal index case.

Imperial Alloy™

SABRE® JOBBER LENGTH DRILL BITS

JOBBER LENGTH: SIZES FROM 27/64" THROUGH 1/2"

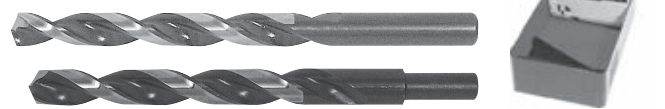

- Designed to drill through all types of materials, even stainless steel.
- Industrial heavy-duty web allows for increased feed rates and a stronger bit.
- 135° split-point eliminates drill wandering and center punching.
- The unique flute design improves chip ejection and coolant flow to the drill point, which allows the drill bit to remain cool.
- Premium grade high-speed steel.

REDUCED SHANK: SIZES FROM 25/64" THROUGH 1/2"

- All the features of Sabre Bits but with a 3/8" reduced shank for smaller drills.

DRILL BIT INDEX: SIZES FROM 1/16" THROUGH 1/2" BY 64I WITH OR WITHOUT REDUCED SHANK

- Includes a durable metal index case.

SUMMARY TERMS & CONDITIONS

Terms: By placing an order customers accept and agree to terms and conditions of Imperial Supplies, LLC ("Imperial"), the full text of which can be found at www.imperialsupplies.com.

Wholesale Only: Imperial sells products for business use to customers with proper business identification.

Prices: Prices listed are wholesale, do not include freight, handling fees, taxes, and/or duties, and are subject to correction or change without notice. Imperial reserves the right to accept or reject any order.

Sales Tax: Customers are responsible for payment of all applicable taxes, or providing a valid sales tax exemption certificate.

Shipping Charges: Products are shipped F.O.B. shipping point with costs and handling fees paid by Imperial and charged to customer. Orders over U.S. \$400 (including any backorders) are shipped freight free. C.O.D. shipments are not permitted. Other terms and conditions may apply for freight collect, special handling, or shipments outside the contiguous United States. Fuel surcharges may be applied. Title and risk of loss pass to customer upon shipment to carrier. Vendor drop-shipped products are excluded from our standard freight policy and the customer is responsible for freight on drop-ship products.

Payment Terms: Imperial accepts cash, checks, money orders, Visa, MasterCard, and American Express. For customers with established Imperial credit, payment terms are one-half percent (1/2%) ten (10) days, net 30 days from the date of shipment. If payment is not received within the 30-day period, Imperial may defer or cancel all or part of any shipment or order.

Product Return: Product returns must be made within one year from date of purchase, unless otherwise indicated. Returned product must be in original packaging, unused, undamaged and in saleable condition. Proof of purchase is required.

Product Substitution: Products and country of origin may be substituted and may not be identical to Catalog or website published descriptions and/or images.

Other Products and Services: Orders for export and products and services not listed in this Catalog are subject to separate terms and conditions; see www.imperialsupplies.com.

IMPERIAL LIMITED WARRANTY

LIMITED WARRANTY: IMPERIAL WARRANTS PRODUCTS FOR A PERIOD OF ONE YEAR FROM THE DATE OF PURCHASE, UNLESS OTHERWISE STATED. PROVIDED THAT IMPERIAL ACCEPTS THE PRODUCT FOR RETURN, IMPERIAL MAY, AT ITS OPTION, REPAIR, REPLACE, OR REFUND THE AMOUNT PAID BY CUSTOMER. ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS ARE SPECIFICALLY DISCLAIMED.

LIMITATION OF LIABILITY: IMPERIAL SHALL NOT BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES. IMPERIAL'S LIABILITY, IN ALL CIRCUMSTANCES, SHALL NOT EXCEED THE PURCHASE PRICE PAID FOR THE PRODUCT THAT GIVES RISE TO ANY LIABILITY.

Manufacturer's Warranty: For information on a particular manufacturer's warranty, please contact your assigned teleservicing agent.

Cancellation: All product order cancellations must be approved by Imperial, and may be subject to restocking fees and other charges.

A full statement of Imperial's terms and conditions is available on www.imperialsupplies.com and is incorporated by reference.

PRODUCT INFORMATION

Product information and Material Safety Data Sheets ("MSDS") are prepared and supplied by the manufacturers. IMPERIAL MAKES NO WARRANTIES AND EXPRESSLY DISCLAIMS ALL LIABILITY FOR ACCURACY OF THE INFORMATION IN ANY MSDS.

Send MSDS Requests to: (i) Imperial, PO Box 11008, Green Bay WI 54307-1008; or (ii) contact the teleservicing agent at 1-800-558-2808.

Product Compliance and Suitability: Imperial does not guarantee compliance or suitability of the products it sells with any laws, codes or regulations, nor does Imperial accept responsibility for construction, installation, and/or use of a product. Customer is solely responsible for reliance on or use of any product information, and for use or application of any product.

California Proposition 65: The State of California requires that certain warnings be given concerning products which contain chemicals subject to Proposition 65. For identification of products which contain chemicals subject to Proposition 65, go to www.imperialsupplies.com. Applicable Proposition 65 warning(s), see below, are provided upon product purchase.

Warning: This product contains a chemical known to the State of California to cause cancer.

Warning: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
