

NATIONAL DISTRIBUTOR OF QUALITY  
MAINTENANCE SUPPLIES SINCE 1958

**PREMIUM**

## Premium Chain & Cable Lube

This product is an outstanding, full service, multiple application, chain and cable lubricant. Fortified with both molybdenum disulfide and PTFE, the formula will provide superior lubricity, protection, and longevity. Use this product on chains, cables, wire ropes, sprockets, drive chains, hoist chains, drag chains, and conveyor chains to prevent metal to metal contact and reduce friction, heat, stress, and wear during operation. Very water and acid resistant. In addition, the special aerosol valving system allows for precise control of material delivery with minimal splashing and/or overspray. This next generation product is formulated without chlorinated solvents or ozone depleters.

### Benefits:

- Ideal for Chains, Cables, & Moving Assemblies
- Fortified with Moly & PTFE
- Penetrates for Fast Set Up & Resists Throw Off
- Lubricates & Reduces Friction
- Nonchlorinated

### Applications:

- Industrial and institutional settings
- Chains
- Cables
- Channels
- Conveyors
- Gears
- Open Drives
- Pins
- Rollers
- Sliding Tracks

### Specifications:

|                             |                      |
|-----------------------------|----------------------|
| Physical Form               | Wet Mist             |
| Odor                        | Petroleum Distillate |
| Color                       | Silver/green         |
| % VOC by Weight             | 26.5                 |
| Flammability per CPSC       | Flammable            |
| pH                          | 9.0-10.0             |
| NFPA Code 30B Storage Level | 3                    |
| Net Weight                  | 12 oz                |

### Packaging Information:

| SKU  | Package Quantity  | Weight (lbs) | Length (") | Height (") | Width (") |
|------|-------------------|--------------|------------|------------|-----------|
| 8366 | 12-16oz cans/case | 13           | 11.5       | 8.56       | 8.5       |

**Part No. 8366**

| HMIS Hazard Code: |                     |
|-------------------|---------------------|
| 1                 | Health              |
| 3                 | Flammability        |
| 0                 | Reactivity          |
| B                 | Personal Protection |

Hazard Rating: 0 = minimal, 1 = slight,  
2 = moderate, 4 = extreme
