INSTRUCTIONS

About Webpush:

The Webpush software and drivers for the IM580, IM630 and the IM2001,OPN2004 "Opticons" are available on Imperial's website for download under the "Help" tab.

The webpush.exe software package and one of the drivers will have to be downloaded for each scanner. The scanner will not be able to transmit data to the computer without the driver being installed.

To ensure the driver is successfully installed, the scanner should be plugged into the computer and powered on at the time of download.

The screenshot shows the Imperial Supplies website's download page. The page header includes the Imperial logo, the text "NATIONAL DISTRIBUTOR OF QUALITY MAINTENANCE SUPPLIES SINCE 1958", the phone number "1-800-558-2808", and a "Start an Order" button. The navigation menu includes "My Account", "Products", "Services", "Full-Line Catalog", "Resources", "MSDS", "New Products", "About Us", "Contact Us", and "Help". The "Help" menu is open, showing options like "Help Index", "ScanTel® Scanner Software", "ScanTel® Scanner Instructions", "Icon Key", "Delete Cookies", "Site Map", "Product Warranties", "Privacy Policy", "Terms of Sale", and "Terms of Access". A green arrow points to the "ScanTel® Scanner Software" option in the help menu. Another green arrow points to the "webpush.exe" file name in the software table.

Filename	Size	File Description	Download
webpush.exe	5.6 MB	Imperial Webpush 1.6.2.1 This application sends your orders from your ScanTel® scanner directly to Imperial via the Internet. Please contact us for detailed information on using this software package. This is 32-bit software, tested on 32-bit and 64-bit Windows XP, Vista and 7. Please note that additional hardware will be required to use this package.	Download
Opticon USB Drivers Installer.exe	2 MB	Opticon USB Driver for the Opticon scanner. Standalone driver installer for the ScanTel® Opticon scanner.	Download
IM_USB_Driver_Setup.exe	1.6 MB	IM-580/630 USB Driver for the IM-580 and IM-630 scanners. This driver package is for 32 and 64-bit Windows.	Download

Scanner	Document Description	PDF	Size
	ScanTel® Opticon Instructions Compact barcode scanner.	Download	192 KB

1 Click on the webpush.exe file name to download. A screen will pop up, select "Run".

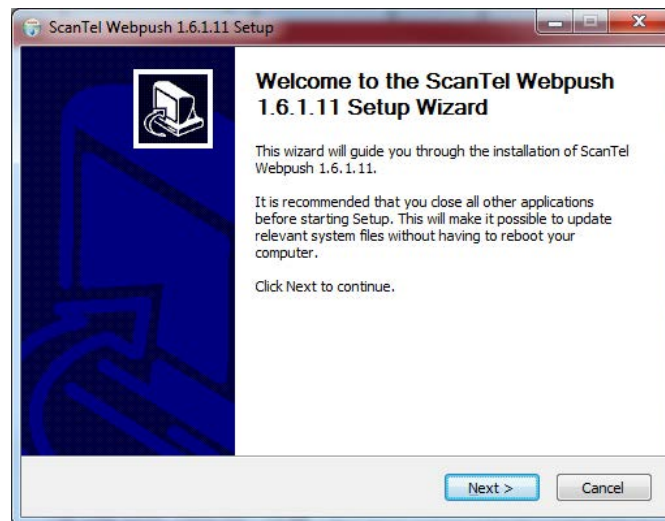

INSTRUCTIONS

- Another prompt will display, asking if you are sure you want to run this software. Click "run".

- The "Welcome to ScanTel Webpush Setup Wizard" will then display, click "next".

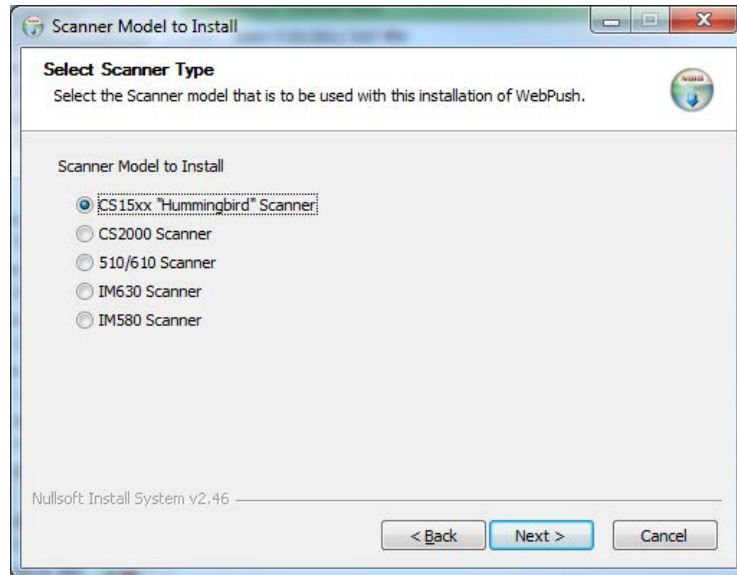

- Before the software is able to download, click on the "I Agree" button to agree to the license agreement.

INSTRUCTIONS

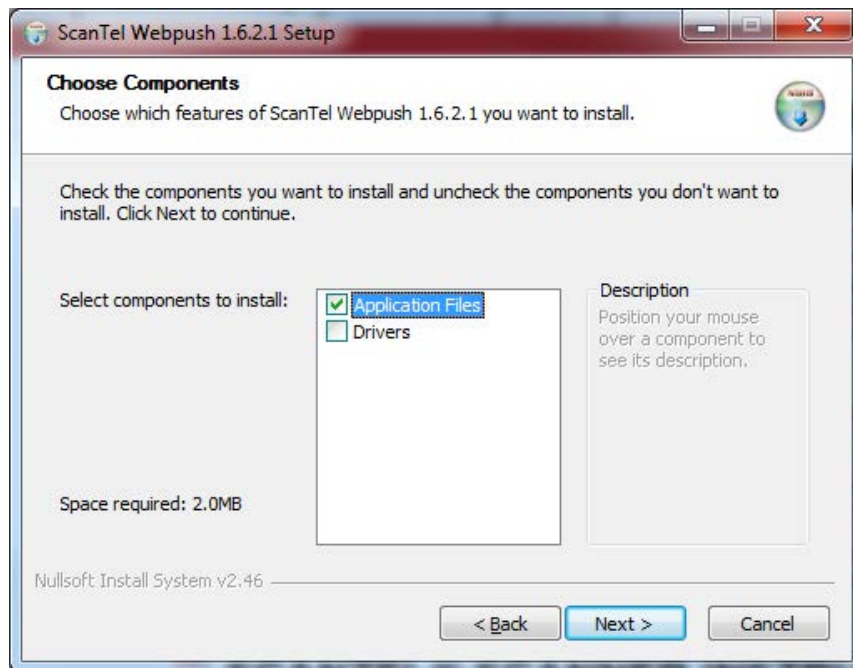

5

Both Opticon (IM2001 & OPN2004) and Hummingbird Scanners are referred to as CS15xx "Hummingbird" Scanner in Webpush. Select the appropriate model and click "Next".

6

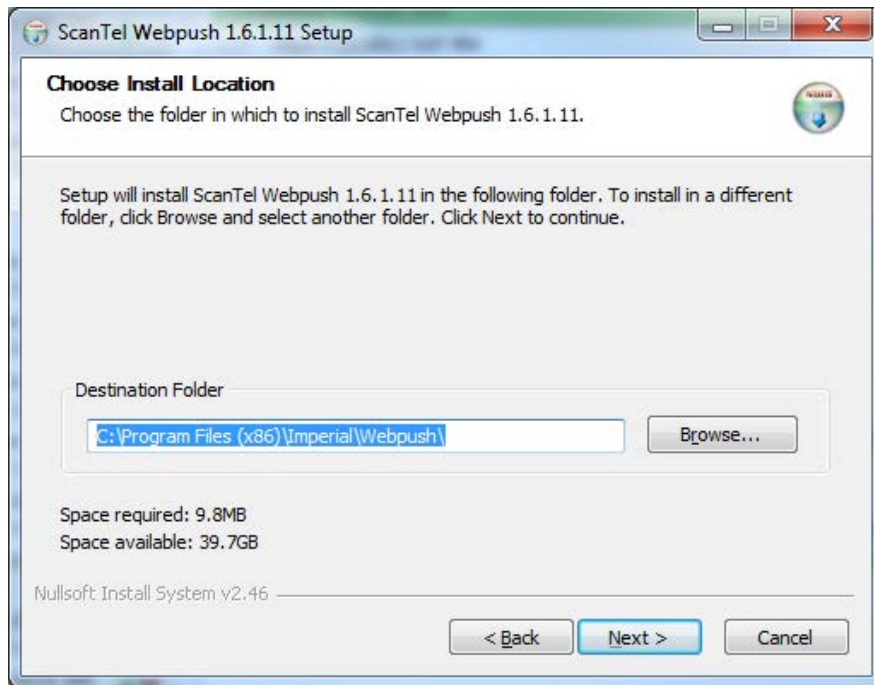

Next choose what features you want installed. The Application Files should be automatically checked. If so, click on "Next".

INSTRUCTIONS

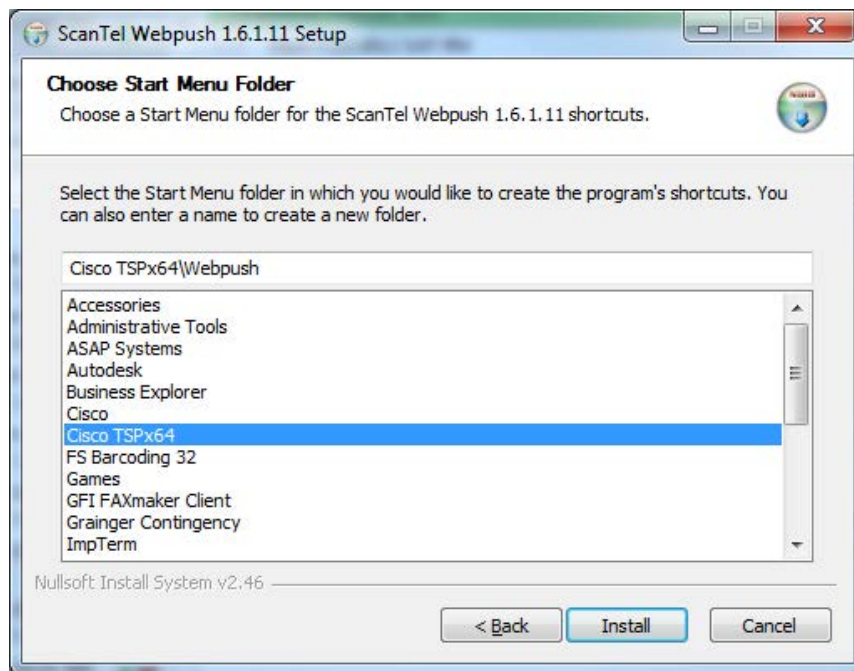

7

The Choose Install Location pop-up will appear on the screen. The install location should already be filled in, click "Next".

8

The Choose Start Menu Folder pop-up will appear on the screen. Select Cisco TSPx64 (your folder name may say Webpush). Click "Install".

Note:

1. Once installation is complete, return to imperialsupplies.com and download the appropriate driver for your scanner. When asked to "Run or Save", select "Run".

INSTRUCTIONS

IM580/IM630 USB Driver:

The appropriate drivers for the IM580, IM630 and the IM2001, OPN2004 "Opticons" are available on Imperial's website for download under the "Help" tab.

The webpush.exe software package and one of the drivers will have to be downloaded for each scanner. The scanner will not be able to transmit data to the computer without the driver being installed.

To ensure the driver is successfully installed, the scanner should be plugged into the computer and powered on at the time of download.

The screenshot shows the Imperial Supplies website's download page for SCANTEL scanner software. The page features a navigation menu with 'Help' highlighted. A table lists three files for download: 'webpush.exe' (5.6 MB), 'Opticon USB Drivers Installer.exe' (2 MB), and 'IM_USB_Driver_Setup.exe' (1.6 MB). A green arrow points to the 'IM_USB_Driver_Setup.exe' file name. Another green arrow points to the 'Help' menu item in the top navigation bar. Below the table, there is a section for 'SCANTEL SCANNER INSTRUCTIONS' with a table listing scanner models and their corresponding PDF instructions.
