

## SAFETY DATA SHEET

### Solopol Classic

#### 1. Identification

##### Product identifier

**Product name** Solopol Classic

**Product number** 30384-US,PN88313406-US,PN98318706-US,32140-US,34981-US,34868-US

**Container size** 1/2 GAL,2000 ML,4000 ml,250 ml

##### Recommended use of the chemical and restrictions on use

**Application** Hand Wash

##### Details of the supplier of the safety data sheet

**Supplier** Deb USA, Inc.  
2815 Coliseum Centre Drive, Suite 600  
Charlotte, North Carolina 28217 USA  
800-248-7190

**Manufacturer** Deb-Stoko USA LLC  
2408 Doyle Street  
Greensboro NC 27408 USA

##### Emergency telephone number

**Emergency telephone** (800) 424-9300 CHEMTREC (North America) (703) 527-3887 CHEMTREC (International, call collect)

#### 2. Hazard(s) identification

##### Classification of the substance or mixture

**OSHA Regulatory Status** This Product is Not Hazardous under the OSHA Hazard Communication Standard.

**Physical hazards** Not Classified

**Health hazards** Not Classified

**Environmental hazards** Not Classified

##### Label elements

**Hazard statements** NC Not Classified

#### 3. Composition/information on ingredients

##### Mixtures

## Solopol Classic

|      |                                     |
|------|-------------------------------------|
| Inci | Aqua (Water)                        |
|      | Juglans Regia (Walnut) Shell Powder |
|      | Sodium Laureth Sulfate              |

### 4. First-aid measures

#### Description of first aid measures

|                            |                                                                                                                                                           |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ingestion                  | Get medical attention immediately.                                                                                                                        |
| Skin Contact               | Intended as a cosmetic hand cleaner. Non-toxic.                                                                                                           |
| Eye contact                | In case of contact, immediately flush eyes with large amounts of water, continuing to flush for 15 minutes. If irritation persists get medical attention. |
| Protection of first aiders | None                                                                                                                                                      |

#### Most important symptoms and effects, both acute and delayed

|                     |       |
|---------------------|-------|
| General information | None. |
|---------------------|-------|

### 5.Fire-fighting measures

#### Extinguishing media

|                              |                                                  |
|------------------------------|--------------------------------------------------|
| Suitable extinguishing media | Water spray, foam, dry powder or carbon dioxide. |
|------------------------------|--------------------------------------------------|

#### Special hazards arising from the substance or mixture

|                  |                 |
|------------------|-----------------|
| Specific hazards | Not applicable. |
|------------------|-----------------|

#### Advice for firefighters

|                                        |                                             |
|----------------------------------------|---------------------------------------------|
| Protective actions during firefighting | No specific firefighting precautions known. |
|----------------------------------------|---------------------------------------------|

### 6. Accidental release measures

#### Personal precautions, protective equipment and emergency procedures

|                      |                                                             |
|----------------------|-------------------------------------------------------------|
| Personal precautions | Take care as floors and other surfaces may become slippery. |
|----------------------|-------------------------------------------------------------|

#### Environmental precautions

|                           |                                                               |
|---------------------------|---------------------------------------------------------------|
| Environmental precautions | The product is not expected to be toxic to aquatic organisms. |
|---------------------------|---------------------------------------------------------------|

#### Methods and material for containment and cleaning up

|                         |                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------|
| Methods for cleaning up | Shovel into dry containers. Cover and move the containers. Flush the area with water. |
|-------------------------|---------------------------------------------------------------------------------------|

### 7. Handling and storage

#### Precautions for safe handling

|                   |                         |
|-------------------|-------------------------|
| Usage precautions | no special requirements |
|-------------------|-------------------------|

## Solopol Classic

### Conditions for safe storage, including any incompatibilities

**Storage precautions** no special requirements

### Specific end uses(s)

**Specific end use(s)** The identified uses for this product are detailed in Section 1.2.

## 8. Exposure Controls/personal protection

### Exposure controls

**Eye/face protection** No specific eye protection required during normal use.

**Hand protection** Not applicable.

**Hygiene measures** No specific hygiene procedures recommended but good personal hygiene practices should always be observed when working with chemical products.

## 9. Physical and Chemical Properties

### Information on basic physical and chemical properties

**Appearance** Paste

**Color** Beige.

**Odor** Fragrant

**pH** 4.9 - 5.3 (10%)

**Relative density** approx. 1.05

## 10. Stability and reactivity

**Reactivity** Stable under normal conditions

**Stability** Stable at normal ambient temperatures.

**Possibility of hazardous reactions** No information available

**Conditions to avoid** Keep at temperature not exceeding 40°C.

**Materials to avoid** No information available

## 11. Toxicological information

### Information on toxicological effects

**Toxicological effects** No information available.

## 12. Ecological Information

### Toxicity

**Toxicity** Not applicable.

### Persistence and degradability

**Persistence and degradability** No data available.

### Bioaccumulative potential

**Bio-Accumulative Potential** Not known.

## Solopol Classic

### Mobility in soil

**Mobility** Not known.

### Results of PBT and vPvB assessment

**Results of PBT and vPvB assessment** This product does not contain any substances classified as PBT or vPvB.

### Other adverse effects

**Other adverse effects** Not known.

## 13. Disposal considerations

### Waste treatment methods

**General information** Dispose of waste product or used containers in accordance with local regulations

## 14. Transport information

**General** The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, DoT).

### UN Number

Not applicable.

### UN proper shipping name

Not applicable.

### Transport hazard class(es)

No transport warning sign required.

### Packing group

Not applicable.

### Environmental hazards

#### **Environmentally Hazardous Substance**

No.

### Special precautions for user

Not applicable.

**Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code** Not applicable.

## 15. Regulatory information

**Regulatory Status** This product is manufactured and labeled in compliance with the Federal Food, Drug, and Cosmetic Act, and is exempt from the labeling requirements of the OSHA Hazard Communication Standard.

## 16. Other information

**Revision date** 5/28/2015

**Revision** 2

**Supersedes date** 4/16/2015

## Solopol Classic

**SDS No.** 20881
